Winter Ball 2009 Registration

****Register by August 21, 2009, to ensure your placement on a team.**

Late registrations may be put on a waiting list**

Winterball registration is currently underway. If you are interested in participating in Winterball, please go to www.lhll.org to register. **Register by August 21, 2009, to ensure your placement on a team. Late registrations may be put on a waiting list.**

Winterball is a great opportunity to get exposure to the division higher than the one played during the Spring 2009 season and to keep your skills sharp for the Spring 2010 season.

If you are a returning player, login by clicking on the "Email Password" button on the login screen. You will be emailed a password and can then login so that you will not need to key in all of your data. Otherwise, select new player.

Your child will play at a level based on age. League age is determined by your child's age on or before April 30th of 2010 for this Winter Season (T-Ball and Single-A division players do not participate in Winterball. Players in these divisions will need to wait until the Spring 2010 season to participate).

Please refer to the chart below to determine the correct league age for your child:

Winter 2009 / Spring 2010		
Birthday Range	League Age	Division
5/1/2001-4/30/2003	7-8	AA
5/1/1999-4/30/2001	9-10	AAA
5/1/1997-4/30/1999	11-12	Majors
5/1/1995-4/30/1997	13-14	Juniors
